### A UNIQUE MARKET EXPERIENCE

Join our vibrant community of local producers at the Port Deposit Farmer's Market. Set against the stunning backdrop of the Susquehanna River, our Marina Park location offers vendors an exceptional opportunity to showcase their products to both locals and visitors exploring our historic waterfront town.

### WHAT SETS US APART

As a true producer-only market, we maintain the highest standards of authenticity and quality. Our waterfront location provides natural foot traffic, while our focused monthly schedule helps build a loyal customer base. The Port Deposit Chamber of Commerce actively promotes our market through comprehensive marketing campaigns and social media outreach, ensuring strong visibility for our vendors.

### WHO WE'RE LOOKING FOR

We welcome farmers, growers, bakers, and artisans who take pride in their locally-produced goods. Whether you're harvesting fresh produce, crafting artisanal foods, creating unique handicrafts, or producing specialty items, there's a place for you at our market. All vendors must grow, produce, or make their own products, maintaining our commitment to authentic, local goods.

### VENDOR SUPPORT

We believe in making market days work smoothly for our vendors. You'll benefit from:

- Easy access for setup and breakdown
- Affordable booth rates
- Marketing and promotional support
- A collaborative, supportive market community

### JOIN US FOR THE 2025 SEASON

Space is limited at our boutique waterfront market. If you're passionate about your products and ready to join a community that values quality and authenticity, we want to hear from you.
